

Resolution 2022-5-19-2

**Morgantown Monongalia Metropolitan Planning Organization
Adoption of the 2050 Long Range Transportation Plan**

WHEREAS, the Morgantown Monongalia Metropolitan Planning Organization is responsible for the development and updating of a long range transportation plan that fosters mobility for people and goods, efficient system performance and preservation and the quality of life of the residents of the metropolitan area for a planning horizon of twenty years or more, and;

WHEREAS, the MPO with the guidance of the public and the MPO's Advisory Committee's has updated the Urban Area's Long Range Transportation Plan dated March 2017 to the year 2050, as adopted by Resolution of the MPO Policy Board at the March 2017 meeting and as amended at May 16, 2013 meeting and;

WHEREAS, the Urban Area's updated Long Range Transportation Plan has been updated with additional socio-economic data, analysis and public involvement as required in the MPO's Public Involvement Policy;

NOW THEREFORE BE IT RESOLVED THAT, the MPO adopts the documents, presented as the 2022-2050 Metropolitan Transportation Plan Update and amends the MPO's adopted 2045 Long Range Transportation Plan to include this document as the primary resource for the development of transportation infrastructure within the MPO's boundaries.

Adopted this 19th day of May 2022 at a regularly scheduled and advertised meeting of the Morgantown Monongalia Metropolitan Planning Organization.
